

Certificate III Music Industry - Performance (CUA30915)

CERTIFICATE III MUSIC

About the Course:

Students will have the opportunity to develop skills which will prepare them for working in the music industry. Certificate III in VET Music differs from VCE Music, as the focus is more on developing a broad range of skills and knowledge based around a range of work contexts in the music industry.

These skills and knowledge include composing, playing and recording music, and are focused around the contemporary popular stream of the music industry. Students have the choice to focus on either solo or group performance development.

Program Length:

2 years - Commencement of program will depend on adequate numbers for enrolment.

Course Aims:

- To provide participants with the knowledge and skills to achieve units of competence that will enhance their employment prospects in the music industry or related industries.
- Enable participants to gain a recognised credential and make a more informed choice of vocation and career pathways.
